

Billy Ray Parnell Memorial Purple Heart Hunt Applicant:

The Billy Ray Parnell Memorial Purple Heart Hunt is an annual event at the Legends Ranch made possible for eight specially selected US military personnel by time, resources and commitments of grateful individuals, groups and companies who would like to express their gratitude for the sacrifice paid by individuals in the line of service to our country. Sadly, our resources limit us and we are unable to accommodate all deserving soldiers so the following application criteria will help discern candidates who we feel would best fit our requirements.

- ❖ Available for hunt dates; October 1-4, 2009
- ❖ Is United States Military Service Personnel-Veteran or Active Duty
- ❖ Has received a Purple Heart Commendation
- ❖ Has not had the opportunity to hunt because of personal limitation or has had the opportunity to hunt but was unable to harvest a trophy
- ❖ Does not have the financial resources to hunt

Legends Ranch will provide a 3-Day Pre Rut Hunt, lodging, meals, personal guide and taxidermy prep/field dressing of trophy. Our space is limited – overnight lodging includes one room with two beds per hunter. We try to provide accommodations for the hunter, one guest and one sponsor therefore we cannot promise a private room.

Hunter/Sponsor will be required to provide personal wear/items, personal transportation to and from Legends Ranch at the beginning and end of hunt, shipping expense for trophy to the taxidermist for trophy mount or other expenses such as butchering, etc.

Applications are to be received at Legends Ranch no later than July 1, 2008, to be included in the 2008 application selection. Questions may be directed to Legends Ranch Headquarters office 231.745.8000.

We look forward to receiving your application.
