

Dear Legends Ranch Family,

I am writing this newsletter to share an update to you on the first half of 2022 at Legends Ranch. I first would like to congratulate Arthur Gutierrez, Sr. who was honored on Tuesday, January 18th with the prestigious Beretta & Safari Club International Foundation Conversation Leadership Award at the Mandalay Bay in Las Vegas for his efforts demonstrating extensive international hunting experience and a lifetime of commitment to wildlife conservation and outdoor education through volunteer service and philanthropy.

Here are highlights from the past six months:

- 4 turkeys harvested with 20 Jake's spotted on the property
- 200 mounts completed in The Studio Custom Taxidermy Shop
- 250 new fawns born with many more to come
- 50 acres added to the GCC breeding facility
- 15 cords of firewood cut and stacked for the fire pit
- 100 new art pieces added to The Wildlife Center Artisans for Conservation program
- 1 polar bear replica installed in The Wildlife Center
- 300 guests including 4 schools toured The Wildlife Center
- 13 events held at Legends Ranch
- 8 interns joined the team for the summer
- 1 new Education Director, Tony, hired to help with The Wildlife Center

Your Legends Ranch Family and I wish you a safe and healthy summer and look forward to seeing you this fall for the hunting season!

Cheers,

Robert Sergi

Learn to Hunt

August 23-26, 2022. Valued at: \$3,500 for 4-day, 3-night hunt for two guests. All ages welcome.

Two spots available!

- Guests will stay in our luxurious lodge and will be paired with a private guide for their educational hunting adventure.
- During camp, guests will get hands-on experience with:
 - Hunter safety basics (bow & gun)
 - Harvesting one whitetail doe per person
 - Taking professional trophy photos
 - Field dressing an animal
 - Skinning & processing the doe
 - Cooking with venison

- The Learn to Hunt program is a hands-on experience for our youth and anyone looking to learn how to hunt.
- We discuss many aspects of hunting with focus on safety, ethics, tactics, conservation, and cooking wild game.
- The goals of the Learn to Hunt program include fostering a safe and comfortable educational environment that will allow students to find their passion for hunting, and the tools to be selfless when it comes to conservation.
